Last Month

Last month at our after-school labs, students learned the process of making a Navajo Rug (cleaning, carding, spinning, dyeing, and weaving), they also learned the Navajo Sash Belt and Basket dance, harvested from the Camp Eagle Garden, made blue corn tamales, started their weaving projects, and for fun tie-dyed a shirt! We are so proud of our students and their willingness to learn and share the Navajo Culture! Come join the fun!

Students at the Da'neest'a Celebration. At this event student demonstrated the weaving process and performed the two Navajo dances that they learned at after school labs.

October's After School Lab Theme: American Indian Contributions to Society

This month students will be introduced to American Indian Contributions. We will share important information about the monumental contributions in food, medicine, technology, language, environmental resources, philosophy, and overall discoveries by American Indians. Also, students will continue to learn and practice Native dances for upcoming performances and receive academic tutoring.

This Month

October 4: **Larsen Lab**- Seasonal activities and corn grinding

October 6: **Cherry Creek lab**- Indigenous foods
