1.0 HS credit for language class
(we also hold a Navajo Govt. Class
in Spring .5 credit)

You need this with 3.0 GPA for
Navajo Nation's Manuelito Schol-
arship worth \$7000!

First priority for admissions to most universities was Tuesday, December 1st. There is still time to apply. Here are some pointers.

- Go to the University website and get the instructions for sending your high school transcript and then go to your registrar at your school and get your transcript sent. There will most likely be a \$3.00 fee for each transcript. Do this today if possible.
- Do one section of the application at a time. Take a break if needs be between sections but get back to it.
- Your essay portions have word limits. Write the essay and then have someone help edit.
- If you have taken concurrent enrollment classes at UVU, you will need a transcript from them. Take care of that today or tomorrow.
- There will be an application fee for each university. Be prepared to pay.

Finally, don't be overwhelmed. There is plenty of help for you. Go to your parents, your counselor and/or come to Larsen school and we will help you through the process.

YOU CAN DO IT!
