 *11/19/15 how to apply for collage scholarship workshop At UVU

Good Morning!
 If any of your high school students are interested in the Engineering, please strongly encouraged them to attend the College of Engineering's *Engineering Day* on November 14th.
 For more information and registration, visit: http://www.coe.utah.edu/k12_events If you have any questions about this event, please contact the College of Engineering. If you have any students interested in Health Sciences, please introduce them to **Future Doctors**. Future Doctors was established to offer high school students a bird's eye view of the medical profession. The program offers guest speakers from a variety of medical specialties, and includes hands-on activities tied directly to the speakers' specialty. This program currently draws its audience from schools as far south as Provo and as far north as Ogden.

Future Doctors takes place most every fourth Tuesday, from 3:45 – 6:00 p.m. at the University of Utah School of Medicine. Next Future Doctors is November 17th. Contact Chris Harris at [801-585-3724](tel:801-585-3724) for more information. To register go to <http://medicine.utah.edu/outreach/>

Thank you.
Anthony Shirley
 Interim Academic Advisor, American Indian Resource Center
 Assistant Professor, Language & Literature Department
 University of Utah

Navajo Language
 Starts September 29, 2015
 Larsen Elementary School
 1175 E Flonette Dr
 Spanish Fork, Utah 84660
 Every Tuesday 4:00 - 6:00 pm
 Contact:
eileen.quintana@nebo.edu or call 801-361-9030
